THE GLENDORA ROTARY CLUB'S 2018-2019 MINI-GRANTS FOR TEACHERS AWARDS PRESENTATION

The Glendora Rotary Club's sponsorship of "Mini-Grants For Teachers" began in 1984 under the guidance and tutelage of the late William "Bill" Bird. The Rotary Club of Glendora dedicates this annual project to Bill's memory.

This program is one of the major fund-raising efforts of Glendora Rotarians. This year's campaign began in October and culminates with the awarding of 37 grants to 45 teachers at today's Recognition Ceremony.

Glendora Rotarians have solicited funds with the Club, from local business people, and from members of the community. Today, Mini-Grant awards totaling \$12,829 will be presented to very deserving teachers.
